The Nutcracker "Sweet"

Dance Creations proudly presents their 25th production of the Nutcracker Ballet! What started as a collaborative project with neighboring studios, has now become a beloved tradition that continues to delight our ballet students and their families. Each year, the excitement builds as students audition and rehearse their roles during the fall months. There is always something new to look forward to: new stage props, costumes, choreography and roles.

This year, the story begins in the home of Mr. & Mrs. Drosselmeyer where the holiday celebration is filled with MAGIC, "SWEETS" and PRESENTS for all. Journey with the "Divinity" Star, the Nutcracker Prince, and Clara through the Land of "Pavlova" Snow and onward to the Land of "Sweets" from faraway places. Dream with Clara and take delight in the "sweet" memories of this rendition of the classic Nutcracker Ballet.
